"Calls": From the Message of Fatima By | Sister Lucia

It is true that keeping the word of God involves self-denial and renunciation, but it is also true that it is precisely in this self-denial and renunciation that we prove our love to God: "If any man would come after me, let him deny himself and take up his cross and follow me" (Mk. 8:34).

The world, on the other hand, promises an easy life and pleasure, and surrounds us with many enticing temptations, but they are false and are born of ignorance because the world, or rather those who follow the maxims of the world, do not know the value of the good thing they are rejecting and losing when they turn their backs on God. They are all in search of happiness, but they do not find it, because they are looking for it where it is not to be found, and so, since they are on the wrong road, the further they go along it the further they go from happiness.

God is the only Being where happiness is to be found, for which, moreover, we were created. But God is not to be found in the satisfaction of the sensual pleasures of the flesh and of the senses, nor of the passions of pride, self-esteem, covetousness, etc. God is to be found in pure souls, in humble hearts and upright consciences, free from attachment to the things of the earth, such as honors, pleasures, riches, etc. People of this kind identify themselves with God, and the life of God in them; and He communicates to them an ever increasing share in his gifts (p.122).

"CALLS" From the Message of Fatima is a long letter, written entirely by Sr. Lucia, a visionary of the apparitions in Fatima, Portugal. Sister Lucia asked the Holy See for permission to write a text in which she could reply in general to the many questions that had been put to her. Permission was granted and this text is the result.

OVERVIEW FOR THE MONTH OF MARCH 2009

The month of March is dedicated to St. Joseph. The entire month of March falls during the liturgical season known as Lent which is represented by the liturgical color purple — a symbol of penance, mortification and the sorrow of a contrite heart.

MONTHLY INTENTIONS OF POPE BENEDICT XVI

General Intention:

That the importance of forgiveness and reconciliation between individuals and peoples may be understood and that through her testimony the Church may spread Christ's love, the source of new humanity.

Mission Intention:

That Christians persecuted because of the Gospel in various parts of the world and in various manners may be sustained by the strength of the Holy Spirit and continue to bear witness courageously and openly to the Word of God.

MONTHLY SAINT QUOTE

"Let us not be ashamed of the Cross of our Savior, but rather glory in it." —St. Cyril of Jerusalem (memorial: March 18th)

*W*ithin the Catholic home — the domestic church — we may make use of pious practices, objects and various traditions to join with the Church in living the liturgical year. By making use of customs, traditions, and devotional practices, parents, as first teachers of their children, will be building up the "little kingdom of heaven" that is their home. Ideally, this will culminate in the celebration of the liturgy, for every practice and custom that is not oriented towards the liturgy will be hollow and fail to produce worthy fruit."

— Pope John Paul the Great
